APPLING COUNTY SCHOOL SYSTEM INTRADISTRICT TRANSFER LETTER FOR 2021-2022 SCHOOL YEAR

To All Parents and Guardians of K-5 Students of Appling County School System

RE: House Bill 251 was passed in July 2009 and it covers Public School Choice

As the parent or guardian of a student currently enrolled in our school system, you are being notified that under Georgia State Law you may request to transfer your child to a public school in the Appling County School System, other than the one which your child is currently attending, for the 2021-2022 school year.

Parents Responsibilities:

As a parent or guardian, you may request to have your child transferred to another public school within the school system of residence as long as there is available classroom space at the school; after all assigned students have been enrolled. Please keep in mind that if you choose to transfer your child to another school in the system, the law requires you to assume **all cost and responsibilities related to the transportation of your child to and from the school as long as your child remains at the school.**

For your convenience, the system's list of schools with limited available classroom space for this school year are Appling County Primary School and Appling County Elementary School. In order to process your request, you will need to complete and submit the "Transfer Request Form" which is posted on the Appling County School System's website (www.appling.k12.ga.us) under Title I forms or is available at the Appling County Board of Education. **Request for transfers will not be accepted after 4:30 p.m. on July 9, 2021.**

Transfer requests will be approved or denied on a first come, first serve basis, depending on the school's available space. Once available classroom space is reached at a school, no more transfers will be accepted at that school. House Bill 251 will be followed for all students in the Appling County School District including PK students.

If you have any questions, please contact Dr. Norma Nunez-Cortes at the Appling County Board of Education Office at 912-705-8111.

Sincerely,
Dr. Norma Nunez-Cortes
Federal Programs Director
